#### **ABOUT**

Whoever has experienced Pete Sabo live as a DJ or in interaction with an ensemble will never forget this moment again. Unique is his energy and his connection with the audience.

In his powerful mixes he focuses on recognizable tracks full of character between melodic techno and deep house.

Already his first single "PRESSURE", released on "Bunny Tiger Dubs", received massive support from the international DJ scene. As a result, the tech-house track occupied the top Beatport chart positions for weeks.

So it's not surprising that Pete Sabo releases on international labels like Spinnin Deep, Kittball, Sony and Bunny Tiger, winning great admiration from the scene and even from the well-known big names. Likewise, his radio show on Ibiza Global Radio is a notable milestone in his career.

And there is also a lot in store for the months ahead. Remixes of renowned acts are in the pipeline as well as a variety of stunning releases on powerful labels. The future belongs to Pete Sabo.
